Everyone...loves me?
I am such a good leader, aren't I...
Of course...Everyone knows how attractive I am...
That's right.
Men follow your rules because you're so attractive to them, too.

Yes...The neighbors would like a visit from me...
Well, that's not our *necklace*, but be sure to check with all the other neighbors.
Oh, they'd LOVE a visit from you right now.
